PART 3 - DIRECTORS POWERS AND RESPONSIBILITIES

DIRECTORS

5 BOARD OF DIRECTORS COMPOSITION

- 5.1 The Board of Directors is the governing and legal representative body of the Society and it shall consist of five (5) directors. The Board of Directors shall elect from this number a:
- (a) President;
 - (b) Vice-President;
 - (c) Treasurer;
 - (d) Secretary; and
 - (e) Roving Director.
- 5.2 The Board of Directors shall represent the Society in its external legal and administrative affairs that are required for the fulfillment of the Society's Objects such as amongst others:
- (a) representing the Society's interests when interacting with other financial, legal, and regulatory and advisory institutions;
 - (b) keeping a rigorous registry of the Society accounts and any administrative procedure;
 - (c) watching over the fulfillment of the Articles and Rules by all the members of the Society with the assistance of the Executive Committee.

6 DIRECTORS' GENERAL AUTHORITY

- 6.1 Subject to the Articles, the Directors are responsible for the management of the Society's business, for which purpose they may exercise all the powers of the Society.

7 DIRECTORS MAY DELEGATE

- 7.1 Subject to the Articles, the Directors may delegate any of the powers which are conferred on them under the Articles:
- (a) to such person, department or committee;
 - (b) by such means (including by power of attorney);
 - (c) to such an extent;
 - (d) in relation to such matters or territories; and
 - (e) on such terms and conditions

as they think fit. This statement includes the possibility to establish a Deputy Director position during their mandate.

- 7.2 If the Directors so specify, any such delegation may authorise further delegation of the Directors' powers by any person to whom they are delegated.
- 7.3 Subject to the Articles, the Directors may revoke any delegation in whole or part, or alter its terms and conditions.

DECISION MAKING BY DIRECTORS

8 DIRECTORS TO TAKE DECISIONS COLLECTIVELY

8.1 The general rule about decision-making by Directors is that any decision of the Directors must be either a majority decision at a meeting or a decision taken in accordance with Article 9.

8.2 If:

- (a) the Society only has one Director, and
- (b) no provision of the Articles requires it to have more than one Director,

the general rule does not apply, and the Director may take decisions without regard to any of the provisions of the Articles relating to Directors' decision-making.

9 UNANIMOUS DECISIONS

9.1 A decision of the Directors is taken in accordance with this Article when all eligible Directors indicate to each other by any means that they share a common view on a matter.

9.2 Such a decision may take the form of a resolution in a written document, copies of which shall be signed by each eligible Director or to which each eligible Director shall have otherwise indicated agreement in writing.

9.3 References in this Article to eligible Directors are to Directors who would have been entitled to vote on the matter had it been proposed as a resolution at a Directors' meeting.

9.4 A decision may not be taken in accordance with this Article if the eligible Directors do not form a quorum at such a meeting.

10 CALLING A DIRECTORS' MEETING

10.1 The Board of Directors shall meet as often as required, with a minimum of 3 times a year.

10.2 Any Director may call a Directors' meeting by giving notice of the meeting to the Directors or by authorising the Society Secretary (if any) to give such notice.

10.3 Notice of any Directors' meeting must indicate:

- (a) its proposed date and time;
- (b) where it is to take place; and
- (c) if it is anticipated that Directors participating in the meeting will not be in the same place, how it is proposed that they should communicate with each other during the meeting.

10.4 Notice of a Directors' meeting must be given to each Director, but need not be in writing.

10.5 Notice of a Directors' meeting need not be given to Directors who waive their entitlement to notice of that meeting, by giving notice to that effect to the Society not more than 7 days after the date on which the meeting is held. Where such notice is given after the meeting has been held, that does not affect the validity of the meeting, or of any business conducted at it.

11 PARTICIPATION IN DIRECTORS' MEETINGS

11.1 Subject to the Articles, Directors participate in a Directors' meeting, or part of a Directors' meeting, when:

- (a) the meeting has been called and takes place in accordance with the Articles, and
- (b) they can each communicate to the others any information or opinions they have on any particular item of the business of the meeting.

11.2 In determining whether Directors are participating in a Directors' meeting, it is irrelevant where any Director is or how they communicate with each other.

11.3 If all the Directors participating in a meeting are not in the same place, they may decide that the meeting is to be treated as taking place wherever any of them is based or it may take place online.

11.4 Any member of the Executive Committee may be invited by the Board of Directors to attend a Directors' meeting depending on the agenda for a particular meeting.

12 QUORUM FOR DIRECTORS' MEETINGS

12.1 At a Directors' meeting, unless a quorum has been formed, no proposal is to be voted on, except for a proposal to call another meeting.

12.2 The quorum for Directors' meetings may be fixed from time to time by a decision of the Directors and, unless otherwise fixed, it is three out of five appointed Directors and shall include the President or the Vice-President if the President has delegated their powers to the Vice-President subject to Article 7.

12.3 If the total number of Directors for the time being is less than the quorum required, the Directors must not take any decision other than a decision:

- (a) to appoint further Directors, or

- (b) to call a general meeting so as to enable the members to appoint further Directors.

13 CHAIRING OF DIRECTORS' MEETINGS

- 13.1 The Director appointed to the role of President shall chair the Board meetings.
- 13.2 If the President or the Vice-President (if the President has delegated their powers to the Vice-President subject to Article 7) is not participating in a Directors' meeting within ten minutes of the time at which it was to start, the participating Directors must appoint one of themselves to chair it.

14 CASTING VOTE

- 14.1 If the number of votes for and against a proposal are equal, the chairperson or other Director chairing the meeting has a casting vote.
- 14.2 The previous statement, however, does not apply if, in accordance with the Articles, the President or other Director is not to be counted as participating in the decision-making process for quorum or voting purposes.

15 CONFLICTS OF INTEREST

- 15.1 If a proposed decision of the Directors is concerned with an actual or proposed transaction or arrangement with the Society in which a Director is interested, that Director is not to be counted as participating in the decision-making process for quorum or voting purposes.
- 15.2 An interest of a Director to be disclosed under Article 15.1 may be declared at a meeting of Directors by notice in writing to all the other Directors prior to the commencement of the agenda of the meeting. A Director shall be deemed to be conflicted with an actual or proposed transaction or arrangement with the Society if that Director has:
 - (a) a direct or indirect financial interest; or
 - (b) non-financial or personal interests; or
 - (c) competing loyalties between an organisation they owe a primary duty to and/or some other person or entity.
- 15.3 If Article 15.4 applies, a Director who is interested in an actual or proposed transaction or arrangement with the Society is to be counted as participating in the decision-making process for quorum and voting purposes.
- 15.4 This paragraph applies when:
 - (a) the Society by ordinary resolution disapplies the provision of the Articles which would otherwise prevent a Director from being counted as participating in the decision-making process;
 - (b) the Director's interest cannot reasonably be regarded as likely to give rise to a conflict of interest; or
 - (c) the Director's conflict of interest arises from a permitted cause.

- 15.5 For the purposes of this Article, the following are permitted causes:
- (a) a guarantee given, or to be given, by or to a Director in respect of an obligation incurred by or on behalf of the Society or any of its subsidiaries;
 - (b) subscription, or an agreement to subscribe, for securities of the Society or any of its subsidiaries, or to underwrite, sub-underwrite, or guarantee subscription for any such securities; and
 - (c) arrangements pursuant to which benefits are made available to employees and Directors or former employees and Directors of the Society or any of its subsidiaries which do not provide special benefits for directors or former Directors.
- 15.6 For the purposes of this Article, references to proposed decisions and decision-making processes include any Directors' meeting or part of a Directors' meeting.
- 15.7 Subject to Article 15.4, if a question arises at a meeting of Directors or of a committee of Directors as to the right of a Director to participate in the meeting (or part of the meeting) for voting or quorum purposes, the question may, before the conclusion of the meeting, be referred to the chairperson whose ruling in relation to any Director other than the chairperson is to be final and conclusive.
- 15.8 If any question as to the right to participate in the meeting (or part of the meeting) should arise in respect of the chairperson the question is to be decided by a decision of the Directors at that meeting, for which purpose the chairperson is not to be counted as participating in the meeting (or that part of the meeting) for voting or quorum purposes.
- 16 RECORDS OF DECISIONS TO BE KEPT**
- 16.1 The Directors must ensure that the Society keeps a record, in writing, for at least 10 years from the date of the decision recorded, of every unanimous or majority decision taken by the Directors.
- 16.2 The Directors must keep minutes of all:
- (a) appointments and resignations of officers made by the Directors;
 - (b) proceedings at meetings of the Society;
 - (c) meetings of the Directors and committees of Directors including:
 - (i) the names of the Directors present at the meeting;
 - (ii) the decisions made at the meetings; and
 - (iii) where appropriate the reasons for the decisions.

17 DIRECTORS' DISCRETION TO MAKE FURTHER RULES

- 17.1 Subject to the Articles, the Directors may make any rule which they think fit about how they take decisions, and about how such rules are to be recorded or communicated to Directors.
- 17.2 The Board of Directors shall have absolute discretion in respect of any matters concerning the interpretation of the Rules and/or the Articles and the Board's decision shall be final.

- 18.5 The Executive Committee may request or be requested for an account of the activities of each Department and Constituency as often as it deems fit.
- 18.6 The Board of Directors have the right to veto the decisions of the Executive Committee. This veto is not automatic and a call for a vote on it must be explicitly made by at least one director. The vote must take place within the two weeks following the meeting. The veto shall be approved by unanimous decision of the Board of Directors only. The outcome of this call will be included in the minutes of the meeting that originated the call as an annex to the point discussed for a veto, including the date the veto was called, the name of the director(s) who made the petition, the date of the discussion and vote of the veto, and the final decision.
- 18.7 Minutes of the meeting shall be recorded and circulated to all the Executive Officers within 3 weeks following a meeting of the Executive Committee.
- 18.8 The quorum for meetings of the Executive Committee shall be two thirds of the number of Executive Officers appointed from time to time and shall include the President or the Vice-President if the President has delegated its powers to the Vice-President subject to Article 7.
- 18.9 The Director appointed to the role of President shall chair the meetings of the Executive Committee.
- 18.10 If the President (or the Vice-President if the President has delegated its powers to the Vice-President subject to Article 7) is not participating in a meeting of the Executive Committee within ten minutes of the time at which it was to start, the participating Directors must appoint one of themselves to chair it.
- 18.11 Each Executive Officer has one vote (unless otherwise expressly stated in these Articles). The general rule about decision-making by Executive Officers at a meeting of the Executive Committee is that any decision of the Executive Officers must be taken by a two third majority vote of the Executive Committee.
- 18.12 The provisions on calling of Directors meetings (Article 10), Conflicts of Interest (Article 15) shall also apply to the meetings of Executive Committee as if references to Directors' meetings shall be construed to be references to meetings of Executive Committee and references to Directors or Board of Directors shall be construed to be references to Executive Officers.

19 DEPARTMENTS AND CONSTITUENCIES

- 19.1 The Executive Committee shall establish Departments with a remit to manage specific aspects of the Society's activities. The responsibilities of the Departments and Heads of Departments shall be set out in the Charities Statement of Recommended Practice.
- 19.2 When 10 or more Regular and/or Associate Members are approved and designated to a specific geographical area that belongs to a defined Constituency, they will have the right to establish a new Constituency following the procedure described in the Constituency Rules. Any new Constituency needs to be approved by the Executive Committee.

- 19.3 No Department or Constituency shall act independently of the Executive Committee and all financial matters will remain within the Executive Committee. Each Head of Department and Constituency shall report to the Executive Committee on the activities of its Department or Constituency.
- 19.4 Departments and Constituencies to which the Board of Directors and Executive Committee delegate any of their powers must follow procedures which are based as far as they are applicable on those provisions of the Articles which govern the taking of decisions by the Executive Committee.
- 19.5 The Executive Committee may make rules of procedure for all or any Department and Constituency. In case of inconsistency, these Articles prevail over the Department and Constituency rules. A Constituency rules document shall be approved by the Executive Committee. This document shall contain all the Constituency regulations delegated to it by the Directors.
- 19.6 At the meeting of the Executive Committee approving the constitution of a Department or Constituency, the chairperson of the meeting of the Executive Committee shall confirm by reading aloud:
