SRUK/CERU Survey on Brexit 2020

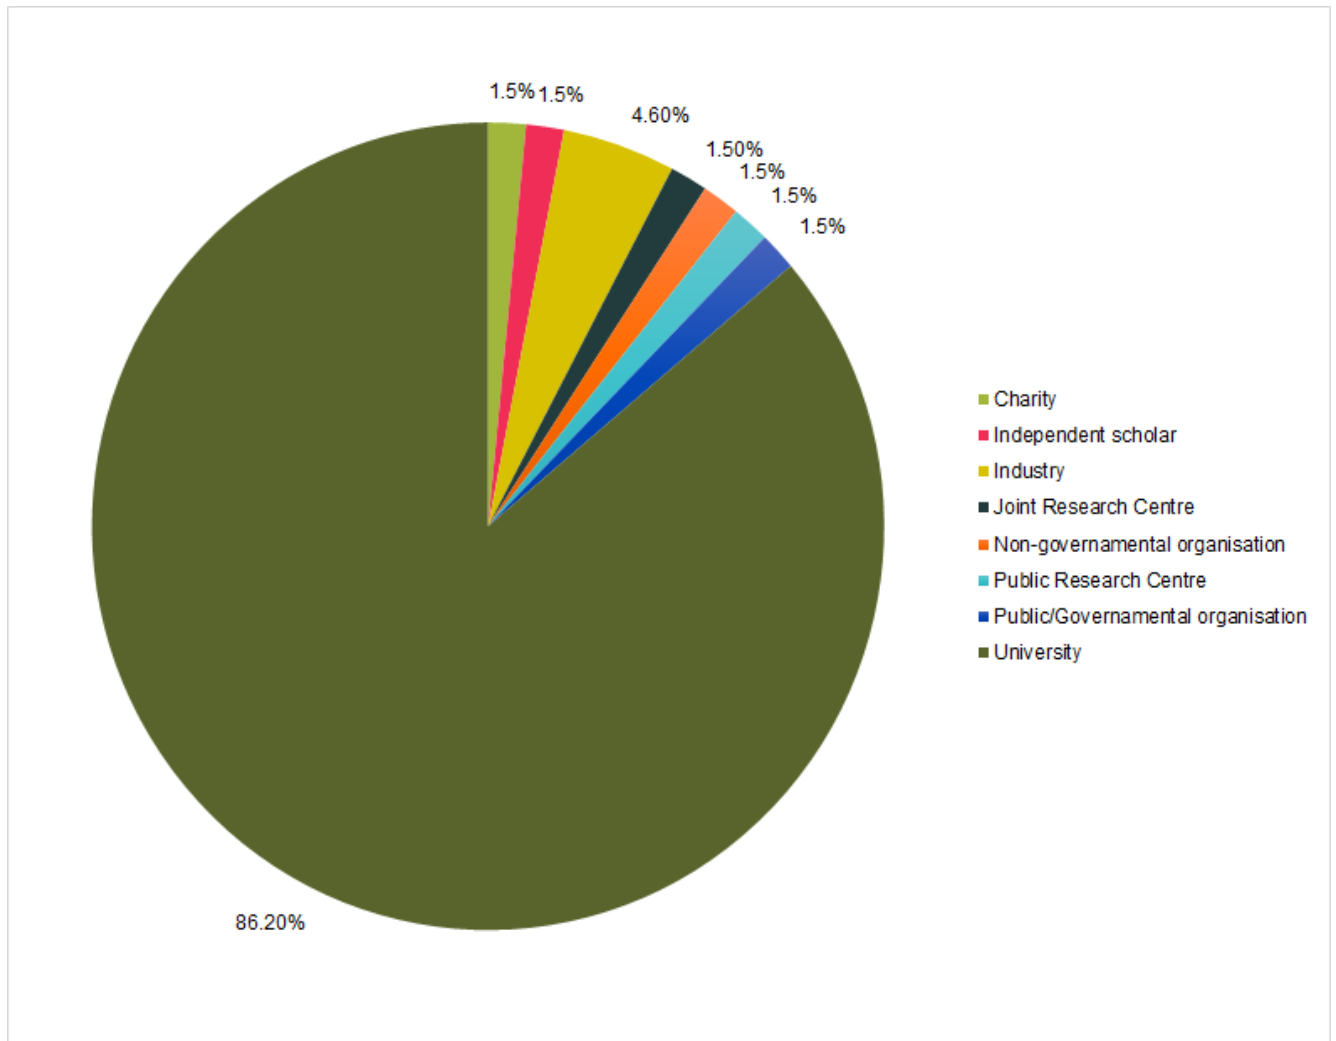

June 2020

sciencepolicy@sruk.org.uk

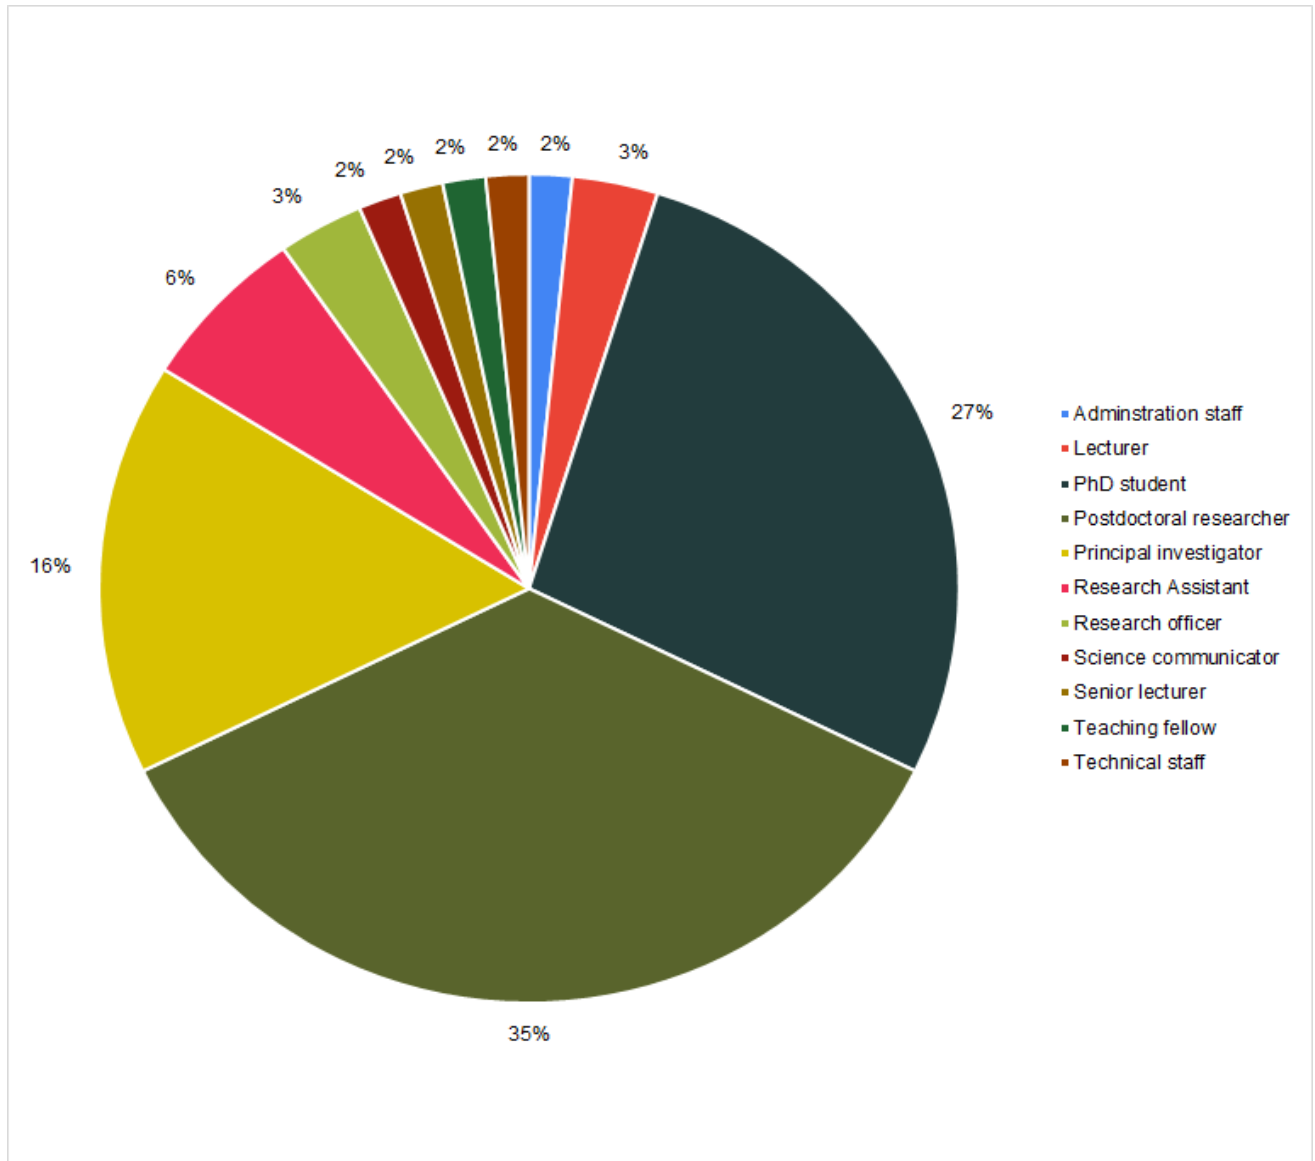

1

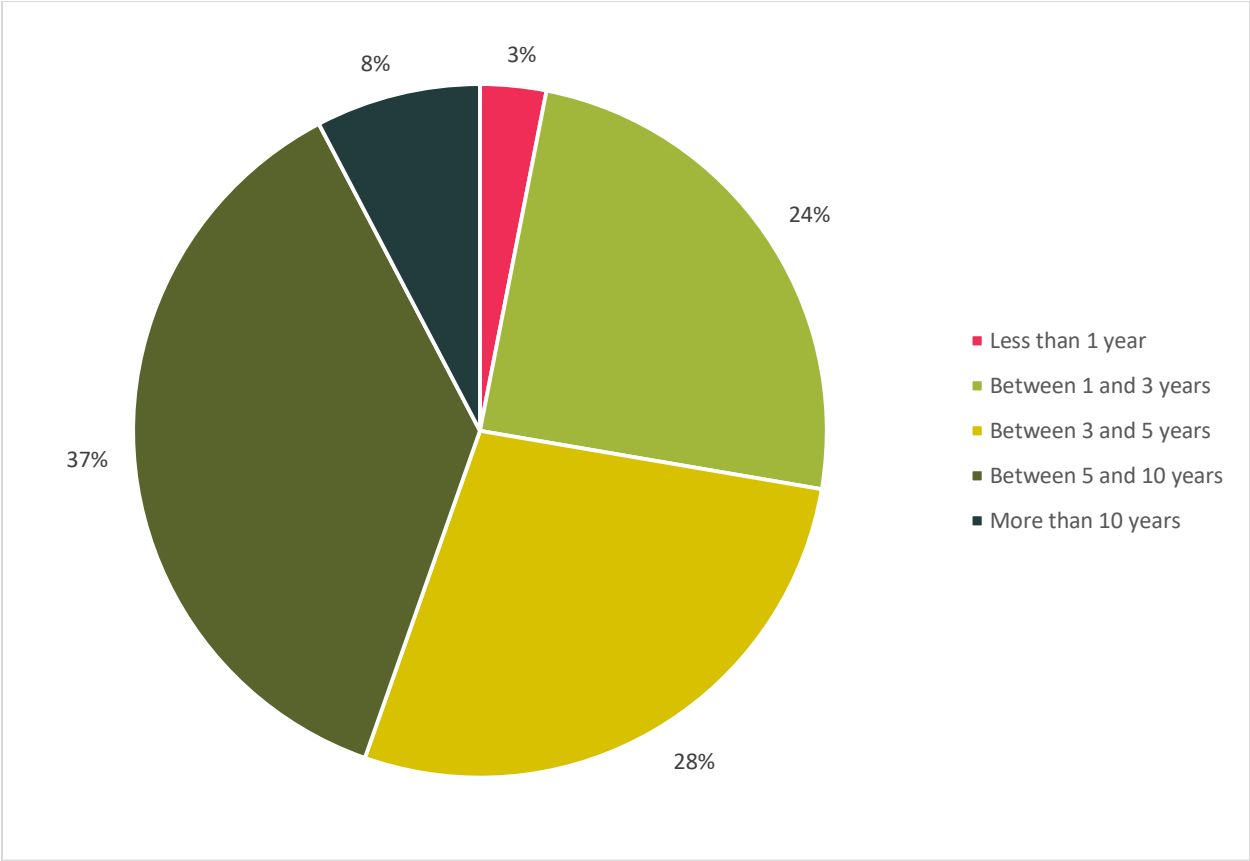

1-Personal affiliation

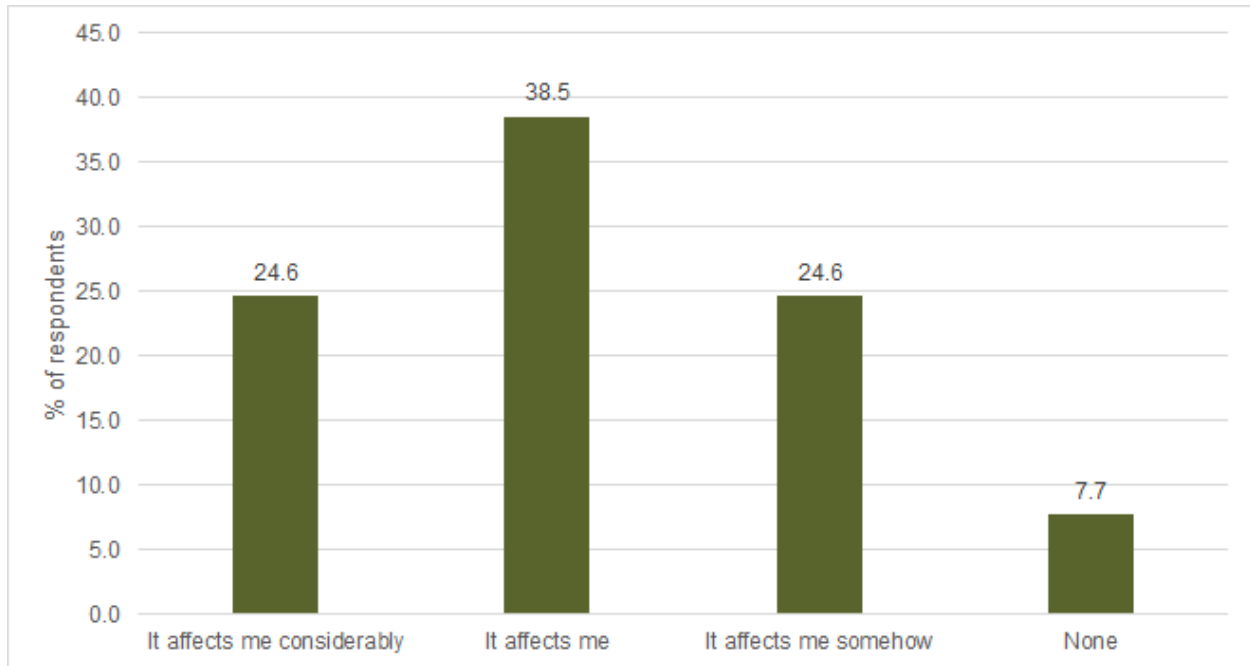

2- Position

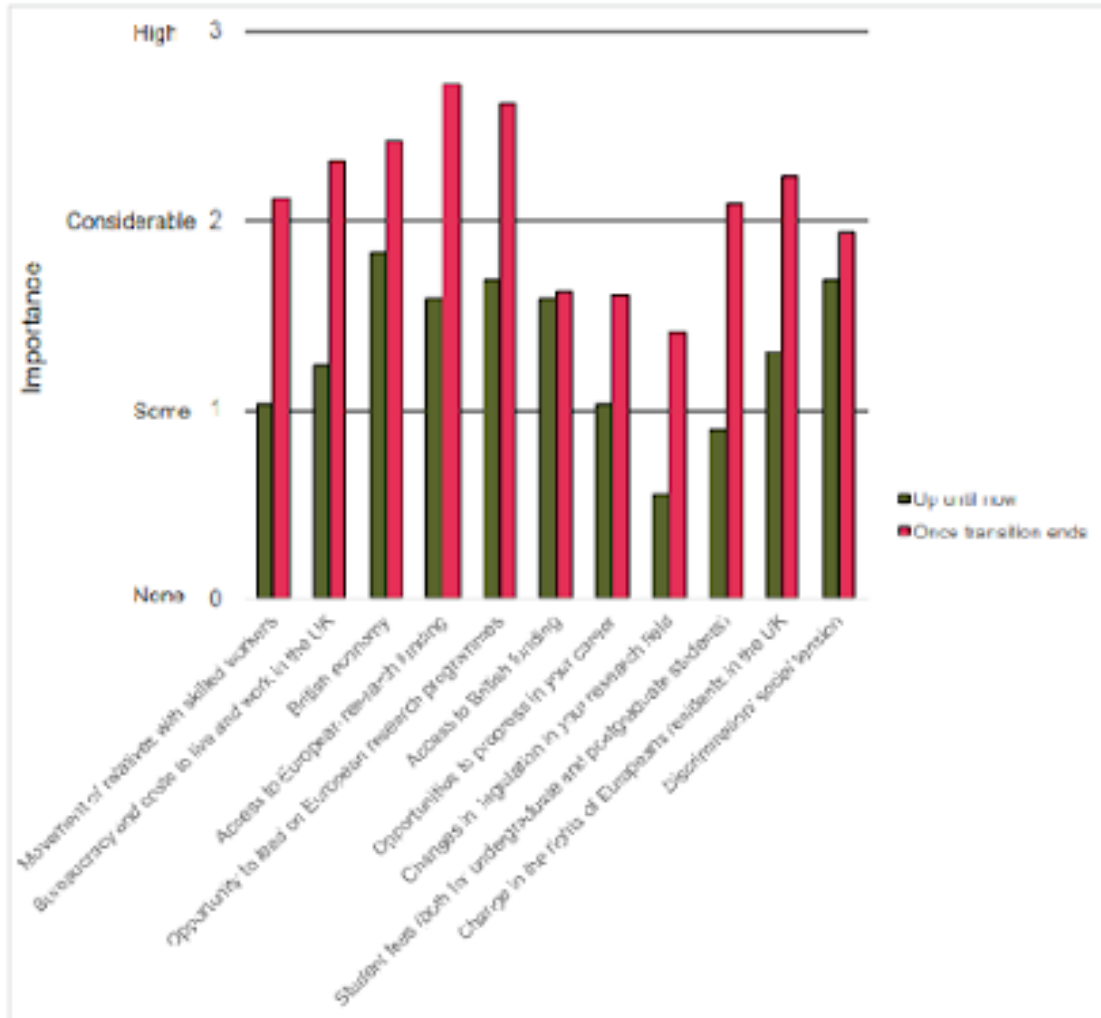

3-How long have you been living in the UK?

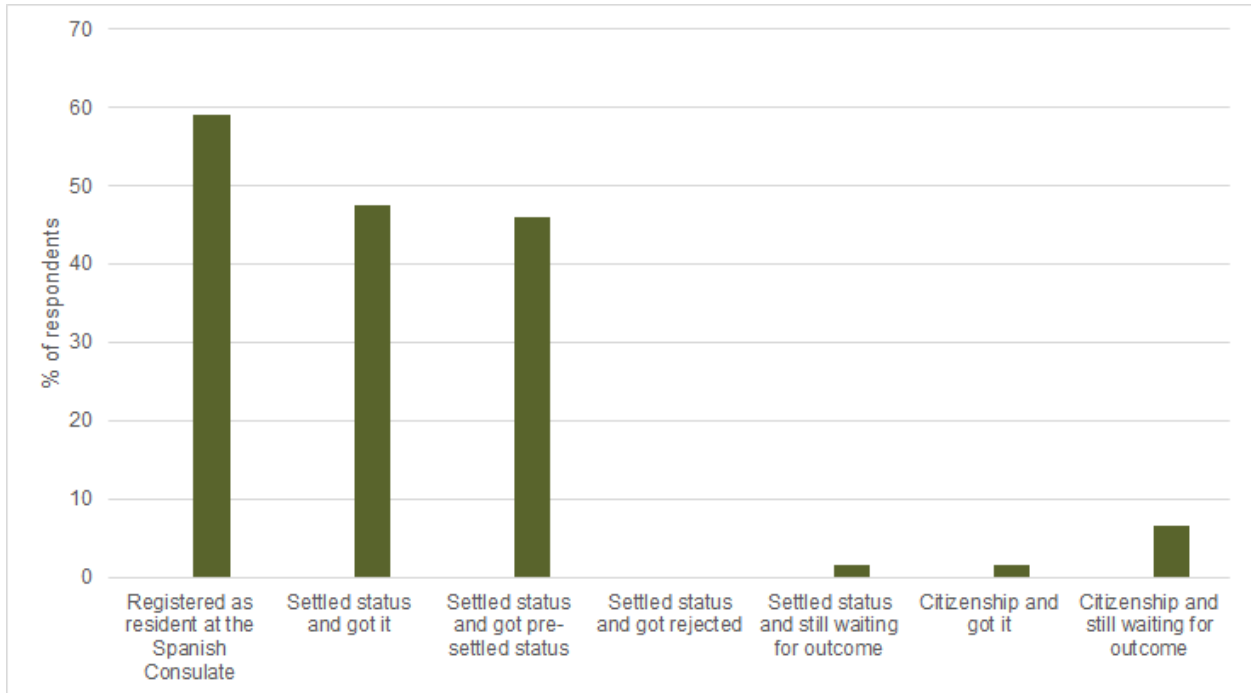

4-Assess the impact that the result of the EU referendum and the recent UK exit of the EU has had/will have in your life

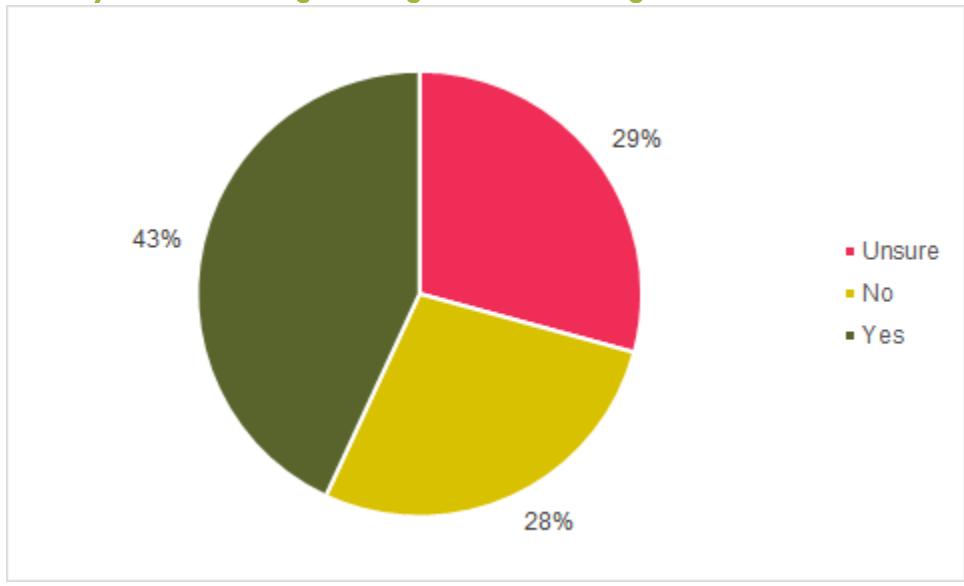

5-The result of the EU referendum has affected several areas of the R&I landscape. Please assess the relevance of these changes (if any) in the following areas-Note that this is in relation to changes due to the referendum and political situation UP UNTIL NOW and ONCE THE TRANSITION PERIOD ENDS

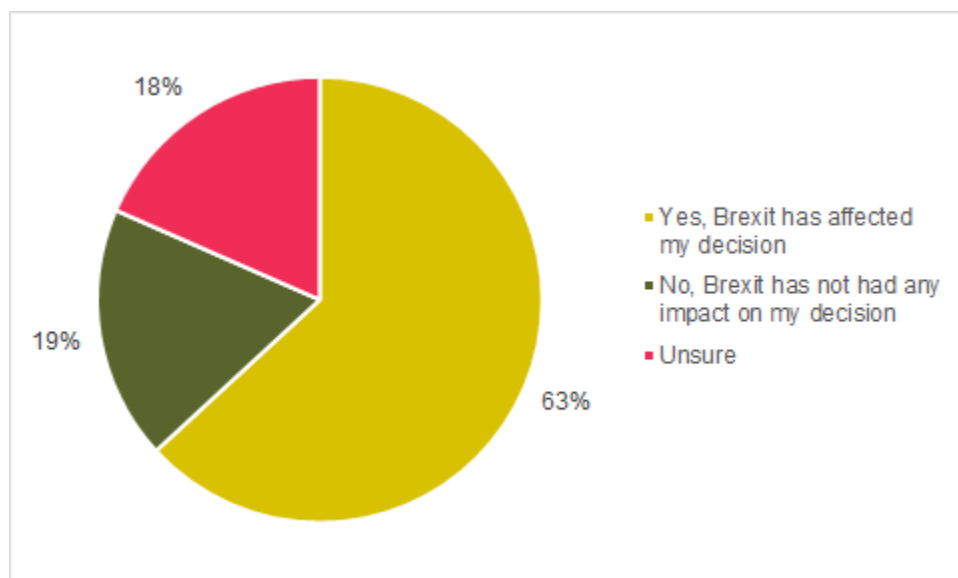

6- Have you applied to any of the following? Please, tick all that apply:

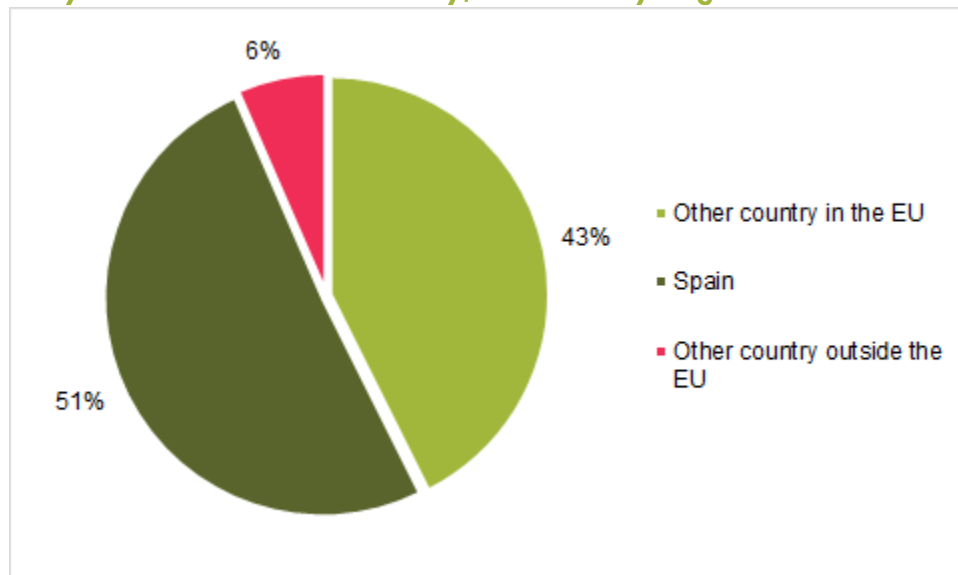

7- Are you considering leaving the United Kingdom in the near future?

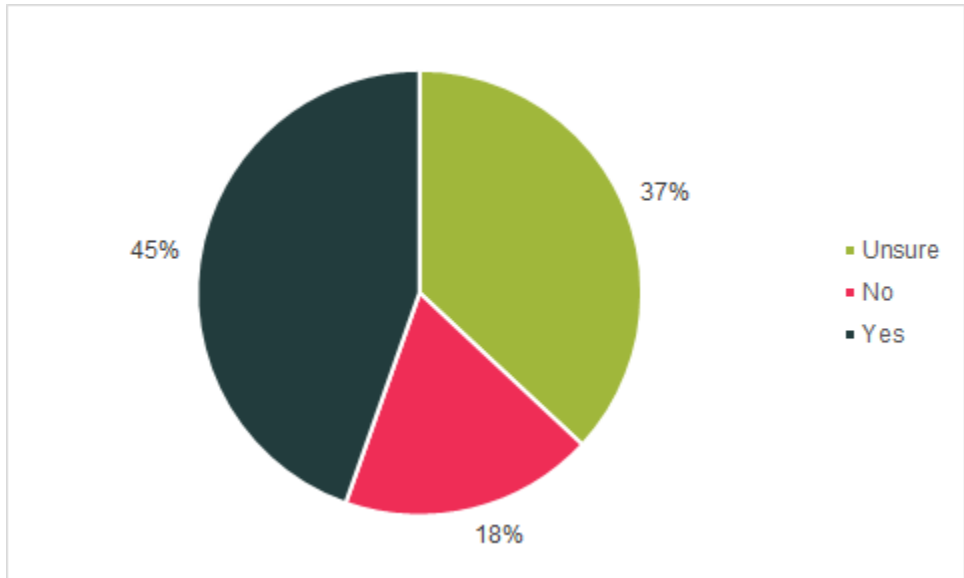

8-If your answer to the above question was "Yes", has Brexit impacted your decision-making process?

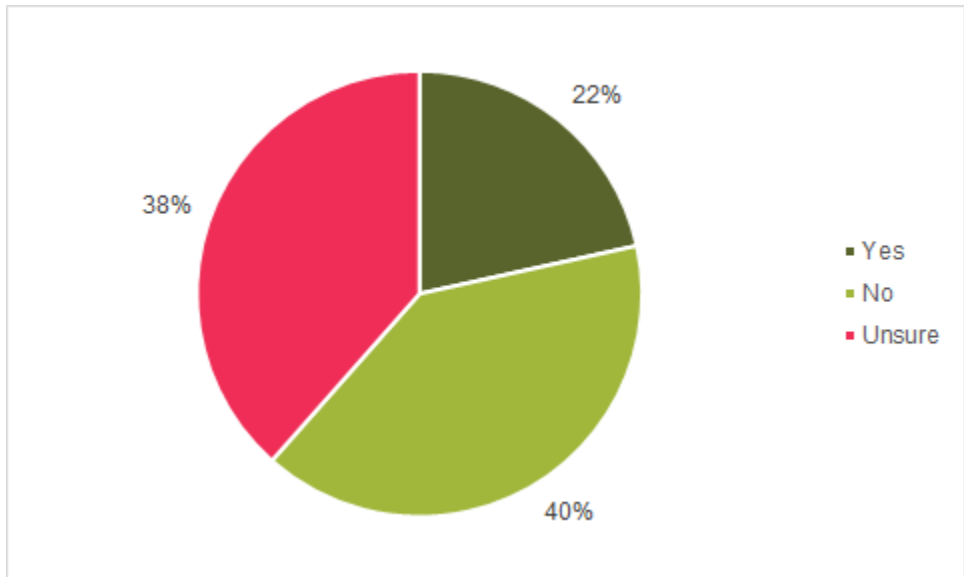

9-If you move to another country, where will you go?

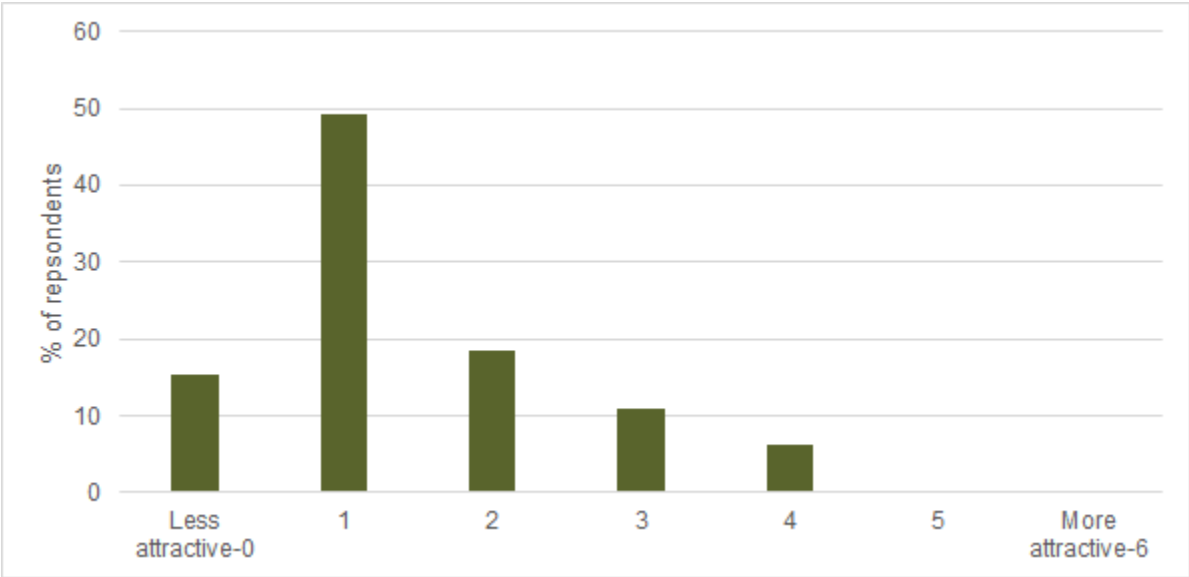

10-If current immigration policies (i.e. Global Talent Visas or the new point-based visas) were in place when you moved to the UK, would you have been able to come?

11-Would you apply for a Global Visa or through the point-based visas (if you had to pay the fees and the NHS surcharge yourself) in order to do your work in the UK?

12-How attractive is the UK in 2020 compared to when you last moved to the country?

13-What would be the main reasons for the above answer?
